    class MonthButton

```

The diagram illustrates a class hierarchy. At the top is a box labeled 'CalendarButton'. Below it, a horizontal line connects two boxes: 'DayButton' on the left and 'MonthButton' on the right. A vertical line with an upward-pointing arrow connects the midpoint of this horizontal line to the bottom center of the 'CalendarButton' box, indicating that 'CalendarButton' is the superclass for both 'DayButton' and 'MonthButton'.
